A Salute To Ohio Leadership

JOHN M. STACKHOUSE
Director, Ohio Dept. of Agriculture.
An active cattleman and farmer.

Ohio must have something in its soil that nurtures vision and greatness. It has produced great national political leaders . . . great agriculturists . . . great cattlemen, and greats in many other fields. It was one of the first states in the early days to lead the country in the production of improving Shorthorns.

A salute is due to the vision of Ohio leaders of the present in providing a substantial platform of \$5,000 in premium money to make a first National Shorthorn Show and Sale possible. It is matched with like amount from the Shorthorn breeders who have implemented the opportunity into reality by providing Shorthorns of truly national sale character. Scarcely an animal in the sale but that has a champion or top-selling sire or dam. National breed shows have been proved the impetus of taking a state out of a mediocre breed position into one of top leadership. Our salute to men of vision in the State of Ohio.

PARAGON CHIEFTAIN — A sound young herd sire ready for heavy service. In lean, hard condition with great bone. Many have seen his great sire Tutira Paragon that had a good show record and is doing well for Lee Johnson. Chieftain is out of the dam of our great breeding Gallant Napoleon and, of course, would only have limited use in our herd. We do have a few heifers bred to him and he has been very sure. M F FARM XYLO 56X — A son of the AA Aberfeldy Explorer, a herd bull we purchased in the International Congress Sale where he stood first in the senior bull calf class. The AA dam is a big, strong red cow that we showed very successfully as a senior yearling and two-year-old heifer. Note that this thick rugged bull is a grandson of Aberfeldy Royal Robin, a bull that sired three successive International champions.

KENLYN NUGGET is sire of a lot of good cattle for Dennis McCarty III. He is sire of **Greenland Nugget 4th, Lot 14**, and also the female in the McCarty consignment.
